My husband says I'm an incurable showoff – and he's right!

My husband says I'm an incurable exhibitionist – and he's right. I get a special kick out of showing off my body. Men seem to be fascinated by a woman who isn't afraid to "dress to kill."

Most husbands wouldn't be able to deal with a woman like me. They'd blow their brains out in a fit of jealousy, but my husband encourages my escapades.

It was my provocative style of dress that attracted my husband to me in the first place, back when we were in college. Mini-skirts were the rage and I always wore the shortest skirts I could find with see-through blouses and tight sweaters without a bra. But then again, I seem to attract men no matter how I'm dressed. I have long reddish-brown hair, green eyes, five nine and 38-25-37 figure. When I wear something very revealing, I turn into the center of attention. And I love every minute of it!

I might be the only bride in history to ever walk down the aisle of a church completely naked under her virginal white wedding gown. My mother would have died on the spot if she'd ever known that. Or that just 10 minutes before the ceremony I had been giving her future son-in-law a blowjob in the church basement. Kirk said later that he could taste his cum on my lips when the minister said we could kiss.

I suppose a lot of people thought I would settle down after I got married, but instead the years have seemed to make me more daring than ever. Just recently, last winter's Florida vacation turned into one of the hot test experiences of my life. Being away from people we know gives Kirk and me a chance to indulge our wildest fantasies.

I spent every day for a month under the sun lamp so I'd be tanned to a dark bronze when we left. I packed the

sexiest clothes I own—skimpy little bikinis, the shortest minis, sexy halters and see-through tops. We stayed in Daytona Beach and as soon as we unpacked Kirk mixed us a couple of strong martinis and we went out on the balcony to watch the action at the pool. Kirk was admiring a shapely young blonde in a tiny bikini and I could see a lump growing in his pants as he watched her. He wasn't the only one to notice the hottie. Two handsome young guys were waiting on her like she was a queen.

"I'll bet you dinner that I can make those guys forget about Blondie," I said to Kirk and got up to change into my bathing suit. "Even if you can't," he laughed, "it'll be fun watching you try."

I had bought a white string bikini from one of those places that always advertise in the popular men's magazines. Kirk whistled appreciatively when I modeled it for him. The bottom of the suit just barely covered my pussy and a few curly brown hairs poked out the sides. The back of the bikini bottom really was just a wide G-string that left my ass almost totally bare. The top was just two little triangles that didn't cover much.

I slipped into a pair of red high-heel sandals, threw a short robe on and went down to the pool. I stretched out on a chaise lounge and slowly massaged oil onto my

legs as I watched the guys across the pool shifting their attention from the blonde to me. I spread my legs so the curly hairs peeking out from the bikini bottom were clearly visible to them. I rubbed the oil on my thighs and stomach and when I got to my tits I reached under the tiny top and rubbed my swollen nipples into hard points. By this time the two kids, a tall dark-haired guy and a blond who looked like a surfer, were swimming over to get a better look.

I glanced up to the balcony and Kirk was sitting with a fresh martini and a big smile on his face. I knew by the time I got through with the two kids that both Kirk and I would be hot enough to scorch the mattress.

The kids plopped into chairs on either side of me and I could almost feel their eyes burning into my flesh. I sat up and began talking to them, openly glancing at the huge bulges in their skimpy bathing suits.

I rolled over onto my stomach, reached behind my back and untied my top, then slipped it off and dropped it onto the ground beside me. I looked over and the dark-haired kid, Jeff, was practically drooling over my nearly bare ass. I handed him the oil and asked him sexily if he'd do my back.

"Don't get shy and miss any," I smiled and turned my head to see Dan, the blond, looking hungrily at me. I blew him a kiss and closed my eyes to enjoy his friend's massage. Jeff worked his way up my legs but hesitated when he got to my ass.

"Don't stop now," I whispered, "You're just getting to the fun part." He smoothed the warm oil over my ass and I could hear his heavy breathing as he rubbed it into my crack and between thighs.

This tall, good-looking kid, who must have been 10 years younger than me, had me so turned on I wanted to fuck him right there with everybody watching. I was getting wetter by the minute and I could feel my sex juices soaking through my bikini. I thought about Kirk watching all this from the balcony and I nearly climaxed right there.

I turned over and instead of putting my top back on I held my arms over my tits and asked Jeff to hand me my robe. By this time everyone at the pool was eyeing me. I slipped the robe on, letting anyone who was looking get a brief glimpse of my bare tits and big swollen nipples.

“Why don’t you get rid of your girlfriend and meet me in the bar tonight?” I whispered to Jeff. I looked at the growing bulge in his trunks and smiled sexily.

“I’d love it,” he said nervously, “But Susy’s Dan’s girl, not mine. What about your husband?” He was looking at my wedding ring.

pussy.

“Leave the door open,” I whispered to him as I saw a maid pass and do a double-take. The chance that we will be seen always makes good sex even better for Kirk and me. I fell back onto the bed and started bucking my hips to meet his thrusts. “I guess you win the bet,” Kirk said between strokes. “But that shouldn’t surprise me. That kid looked like he was going to shoot his wad right there at the pool!”

“Would you mind getting lost for a few hours tonight?” I gasped as he drove in and out of my throbbing cunt.

“Just save some for me,” he smiled. I could tell the thought of me fucking the young college kid had him as turned on as me. He slid down my body, stopping to suck my hard brown nipples and then licked his way down to my cunt.

He kissed my pussy lips then darted his tongue in and out of my slit until he found my swollen clit. He flicked it back and forth until I couldn’t hold back any more and came in waves of pleasure.

I lowered my mouth to Kirk’s stiff prick and started licking its tip as I saw a teenaged girl outside the open door staring in awe. I slid up and down the hard rod and relaxed my throat muscles and took

him all the way in as I gently squeezed his balls with my hand.

I hadn’t mentioned Kirk but I said, “Don’t worry about him. He’ll probably be off at the track anyway. Meet me at nine and we’ll have a couple of drinks.”

“And then?” he asked with a smile. “And then maybe I’ll find out if you stuffed a pair of socks in your bathing suit or if that’s the real thing,” I smiled as I slipped into my high heels and walked off to Jeff’s and Dan’s hungry stares.

I had just opened the door to our room when Kirk had me in his arms. He slid my soaked bikini bottom down my legs and thrust his hard cock into my slippery

I felt his heavy balls tighten and a flood of bitter-sweet cum poured into my mouth. As I swallowed eagerly and licked Kirk’s softening cock clean I wondered what Jeff’s cum would taste like. We got dressed and went out to dinner and I was so excited about the evening ahead I could hardly eat. I wore a white sundress that was sheer enough that the dark outline of my nipples and pussy were clearly visible. The dress was so short that every time I bent over I expected to be arrested for indecent exposure.

When we walked into the restaurant one man spilled his drink when he looked down and saw my long bare legs pass him. Kirk fondled my bare pussy under our table until I was soaked with my own sex juices. The combination of the hungry eyes staring at my hard nipples and long legs, Kirk's masterful pussy massage, and thoughts of what was going to happen just a few hours later had me right on the edge of orgasm.

We went back to the hotel and I went up to the room to fix my makeup while Kirk went on into the bar. When I came in a few minutes later Jeff was nowhere in sight, so I found an empty seat at the bar and ordered a drink.

My outfit practically caused a stampede; I was soon surrounded by a half dozen leering men wanting to buy me drinks. Then Jeff's smiling face poked through the crowd and saved me. We headed toward the dance floor.

He held me tight as we swayed to the music and I could feel his huge cock pressing into my crotch. He slid his hand under my dress and cupped my ass. He braked into a big smile when he discovered I wasn't wearing panties and before the song was over I was leading him to the elevator.

When we got to the room I pulled my dress over my head and stood in front of Jeff in just my high heels. I dropped to my knees, unzipped his jeans and pulled his prick out. It was gigantic! His cock must have been 10 inches long and was as big around as my wrist!

I licked around the doorknob-sized tip, stretched my lips fully around the hot flesh and took him into my mouth. I slowly slid up and down his huge pole and kneaded his hairy balls as he moaned in ecstasy. Just when I knew he was about ready to explode, I pulled off him and waited anxiously on the bed as he stripped his clothes off.

He got on top of me and I could feel his excited tool

rubbing against my thigh as he sucked on my nipples. Then he slid up my body, kissing my neck and ears as I spread my legs to take him in. I was so wet that he slid right in, and I thought I would burst from the thickness of his cock. I started to move my pelvis against him but he wasn't stroking yet. He held his prick half imbedded in me, moving just enough to drive me up the wall even more.

“Jesus, Jeff. Would you just fuck me?” I pleaded, “I want all of that beautiful cock inside me!”

“Okay, you asked for it!” he grinned and all of a sudden I felt like I had been stuffed with a baseball bat. I could feel the monstrous organ banging against the back of my womb as he pounded in and out of me. I reached behind him and caressed his muscular ass, then worked my finger into his puckered asshole and wiggled it back and forth until I knew he was going to come. He pushed

all the way into me and I felt myself being filled with his hot semen. Then the sticky jism was running down the crack of my ass as he collapsed on top of me.

I wrapped my long legs around his strong back and dug my high heels in as he tried to pull out. "Not so fast," I gasped as I tightened my vaginal muscles around his softening cock. I rubbed back and forth against his

captive cock until the friction on my clit was unbearable, and I climaxed over and over and almost passed out from the orgasmic rush.

After we had caught our breath and Jeff had pulled his jeans back on, I mixed us drinks and walked naked onto the dimly lit balcony. We sat side by side drinking and talking. Just knowing that people on other balconies and down at the pool could see my nude body soon had my cunt itching with desire again.

I took Jeff's drink from him and sat it on the floor, then straddled him on the deck chair. I unzipped his jeans again, exposing his huge dick. I massaged our combined cum into my tight asshole, raised up over him and slowly lowered my puckered opening down over his stiff cock.

The pain of the beer can-sized pole entering my rectum was soon blotted out by the immense pleasure I felt as he fingered my swollen clit. I pushed myself down onto him until it felt like my rear tunnel couldn't possibly hold any more.

I heard shouts from below and knew that someone had seen my bare ass pumping up and down. I slid down on Jeff one last time and his cum filled me as we came together. I kissed him and led him back inside before somebody called the cops. We collapsed on the bed, laughing about our command performance.

I was about to take a shower but I wanted to feel Jeff's warm cum in me when I saw Kirk so I pulled the flimsy dress over my naked body and went to find my husband.

I didn't see Kirk in the bar at all, so I sat in a booth by myself and sipped a glass of chilled wine as I enjoyed the admiring stares I was getting from the men in the place. Kirk finally came walking in with a big smile on his face.

"You wouldn't believe what I just saw," he grinned as he slid his hand under my short skirt and stroked my cum-soaked pussy. "I was out by the pool watching some gorgeous woman getting fucked in the ass."

I felt a shiver of excitement go through my body as my husband kissed me and grinned when he tasted Jeff's cum on my lips. We went upstairs and fucked and sucked until the morning sun was streaming in the windows.

I can't wait until our next vacation!

VERONICA RODRIGUEZ

ON A BED OF ROSES

Veronica heard about Bruce's big dick and wanted to experience it for herself. She looked super hot in her lingerie, even wearing a garter belt and black stockings, something she rarely does. She began by undressing and revealing that luscious body, and started it off by sucking on that big cock, and got her pussy pounded and splugged all over.

JEWELS JADE

A HARD TASKMASTER

Super cute Jewels has decided to take a long lunch hour at work today. She may have the face of an angel but she's a hard taskmaster as her assistant Kris, is about to find out. The clock strikes noon and It's not long before she's fingering herself and demanding to have his cock. This hottie gets nailed and loves every minute of it.

She wouldn't let any guy near her
for fear he'd learn her shameful secret... until me

The Squirting Pussy

I used to go out with this good-looking blonde; I'll call her Rachel. She liked me a lot, but I think her greatest attraction toward me was because I could lick her pussy until she went crazy.

I never met any female so crazy about being cunt lapped and asshole sucked as Rachel was.

Rachel was some of the best eating I have ever found too. In fact, I always preferred to go down on her than fuck her; and that did not make her a bit mad either.

She was a damn good-looking woman. She was about 35, tall, green-eyed, with a perfect 38-24-36 body. And she felt like she was made of cream-colored velvet.

She tended bar at this little neighborhood joint, and I would drop in now and then in the evenings for a quick beer or two. The first time I saw her dick—and tongue—both got hard. All the guys were trying to hit on her, but it was no go. She was friendly and she did a lot of smiling, but that was as far as it went.

As time passed I began to notice that she seemed to have taken a liking to me. I mean, she would serve her customers, then come down and chat with me. She was also giving me a lot of free drinks, waving away the money when I offered to pay.

So I began to try to make out with her, offering to drive her home, or go to a flick with me. She would let me take her home, and a couple of times she would have a late dinner with me. She knew that I wanted to get into her panties, and sometimes she acted like she was tempted, but she always backed out.

One day when I did not have to go to work, I dropped in at the bar and Rachel was there already. There were no other customers there at the time, and we were alone. She set me up with a beer, and again waved away the money, smiling, leaning on the bar. Somehow I felt a little bolder than usual.

I told her in plain language that I wanted to eat her pussy. I told her that I wanted to lick and kiss her from head to toe and suck her asshole, then eat her cunt until she was weak from climaxing. Her mouth was sort of hanging open and her cheeks were flushed when I finished. But she told me that she could not fuck me—or any dude for that matter. It was a deep and shameful secret, she told me, and if she went to bed with me I wouldn't want to see her again.

"Charlie, I've never gone all the way with a guy before," she murmured with a sad little smile. "I'm a virgin. I would love to have sex with you and let you kiss me

all over like you said, but I can't. You wouldn't want to see me again, and I like you too much to take the disgust on your face when you found out the truth about me."

To say I was confused is an understatement. I thought of STDs—herpes, whatever. "Is it that you smell bad down there?" I asked blankly.

"Absolutely not! I'm totally clean. I keep myself that way. And I don't have any diseases either," she said almost indignant. "Now let it go, Charlie. I can't tell you anything else." She walked away.

Hate her? Disgust? Despise her? What was she

talking about?

Then came the magic Saturday afternoon when I ran into her over at the bar and she did not have to work. I got her into a booth and began to ply her with drinks, all the time whispering to her of all the kisses I wanted to give her, of the way I would eat her and make her come again and again.

The booze and my sweet promises were doing the job, I soon noticed. She was really getting turned on as she sipped her drink and listened intently to my whispers. Occasionally she would give a dainty little shiver, and I noticed goose pimples on her shapely arms several times. Then, at long last she agreed to come home with me! "Just don't say you weren't warned," she mumbled as we drove off.

I locked the apartment door behind us, and turned to the lush blonde. I took her into my arms. She was blushing and trembling in a mixture of excitement and fear.

Shyly, her lovely arms crept about my neck. Our lips met in our first kiss, and Rachel seemed to melt against me as though at last surrendering totally to me. I took her into the bedroom where I slowly undressed her, continuing to kiss her over her pretty face.

Her nipples were small and pinkish, already erect from her excitement. Her waist was small, her tummy flat and firm; it flowed demurely into her softly rounded hips and downward into her lush creamy thighs and dimpled knees. I gently pushed her shy hands away and revealed her beautiful pussy itself, swelling forward in its eager way, decorated perfectly by a small triangle of curly golden hair.

"Rachel," I breathed, disbelievingly. "You're magnificent! You're absolutely magnificent!"

She shivered in anticipation as I carefully laid her across the bed, on her back.

I lay beside her and kissed her over her face, her throat and shoulders, moving to her milky tits and cute nipples with my lips and tongue. I kissed her tummy and belly, ribs and hips, my mouth racing up and down her gorgeous legs, even straying to her small feet to suck at each toe.

Rachel was breathing rapidly, her hips beginning to squirm a tiny bit. I pushed her knees high into her chest and saw the way the curly golden hair lined the short plumpish lips of her pussy and daintily surrounded her puckered anus. I leaned in and licked at her asshole, and she gasped in pleasant surprise. At last I pushed her legs wide apart and began to devour her cunt, my lips and tongue going wild in the wet hairy sweetness. I licked at the sensitive coral-hued lips and the tight little crack. I slid my tongue into her slippery vagina as deeply as I could reach and moved it in and out in a fucking motion, wriggling it at the same time, my nose buried in

the fragrant golden hair. I licked some more over the outer lips, then sucked at them. I tongue-fucked her some more, my eyes gazing across her nude body to the big twitching tits pointing upward.

I finally went to her clitoris itself and began to flutter the tip of my tongue across its tiny head. Instantly Rachel gasped, her ass twisting about in automatic response. Ooh, she liked that.

She was even more delicious than I had suspected she would be. She was easily the best damn eating pussy I have ever found. That blonde was born to be eaten-and I am still convinced of that!

Suddenly she pushed my face out of her crotch

She was even more delicious than I had suspected she would be. She was easily the best damn eating pussy I have ever found. That blonde was born to be eaten...

and closed her legs.

She hesitated. But the thought of my mouth on her pussy was too overwhelming for her to fight off, and she shyly parted her lush legs again. I quickly went back to where I had left off, my mouth holding her tender vulva apart. My lips fastened over her erect love button, the tip of my tongue fluttering rapidly to and fro across its sensitive little knob. My heart sang in happiness as I sensed her rushing headlong toward her orgasm.

Her dimpled ass twisted and writhed, her fingers touched my head, little gasps burst from her throat. Then another little choking sound burst from her and she went rigid all over.

"Oh, no," she whimpered softly. Then she exploded into a bucking, heaving bundle of humanity, her fingers clawing at my hair. My arms wrapped tightly around her soft hips to keep my mouth in place, my head being carried this way and that with her twisting ass and erupting cunt. The next instant a short stream of warm juice jetted from her pussy, striking me on the chin and running down my throat. It stopped, and paused briefly as she continued to writhe and squirm.

Then her ass surged upward with such strength and suddenness that my mouth was actually drawn down the slit an inch, slipping away from her clit. Another stream of warm juice squirted from her cunt directly into my open mouth, going down my throat before I was even aware of it. How about that little sweetie?

She had shot her cum in my mouth! What a wonderful surprise! I had never tasted female cum before, but Rachel's was good!

At last it was over for her and she relaxed, trembling like a leaf again. It was a beautiful orgasm and

I was looking forward to giving her many, many more of them. I lovingly licked away the rest of her honey and then happily lifted my head, beaming at her. Then I was once again confused.

She was crying! She had her arms across her eyes, and her lovely chest was jerking as she sobbed. She was crying! She should have been laughing and happy, but she was crying! "What's wrong?" I asked stupidly.

"I'll get dressed and leave now, Charlie. I know you can't stand me now, not after that," she mumbled. "What are you talking about, damn it?" I nearly shouted.

"Didn't you feel it? Didn't you taste it? It always happens when I masturbate."

"Feel what? Taste what? What are you talking about?" I growled, glaring at her.

She lifted her arm and peeked from under it at me, her face painfully scarlet. "I squirted," she said, crushed. "I squirted pussy juice when I came."

"Hell, yes. I felt it!" I said. "Part of it hit me on the chin, and part of it came into my mouth. And I swallowed it! So why would I hate you now?"

She stared at me, still peeking from under her arm. "I squirted," she mumbled again. "I shot my cum in your face when I came. That's why I never..."

It finally dawned on me. "Is that all?" I laughed. "You mean that was the reason you would never have sex with me? Because you squirt when you come? Is that all, Rachel? Hell, lots of ladies squirt when they come."

"Stop worrying about it." I said. "I'm going to eat you some more and this time don't worry about anything except coming again, OK?"

As it turned out, Rachel is happily married now. I only hope her hubby likes squirting pussies. He must be, being married to her.

My arms wrapped tightly around her soft hips to keep my mouth in place, my head being carried this way and that with her twisting ass and erupting cunt.

JADA STEVENS

THE HIGH SOCIETY INTERVIEW

by Rob Perez

PORN VALLEY, CA—JADA STEVENS IS BUTTWOMAN, AND WHAT A BUTTWOMAN JADA STEVENS IS. LONG BEFORE BEING BESTOWED THE PRESTIGIOUS HONOR BY GONZO POWERHOUSE STUDIO ELEGANT ANGEL, JADA WAS ALREADY ONE OF THE MOST DOMINANT AND SOUGHT AFTER PERFORMERS IN PORN. IN JUST TWO YEARS JADA HAS ACHIEVED ELITE STATUS IN THE BUSINESS, PUTTING HER IN THE VERY SMALL COMPANY OF PORN SUPERSTARS WHO COMMAND ATTENTION, BIG BUCKS, AND BOX COVERS. BESIDES BEING CROWNED BUTTWOMAN BY ELEGANT ANGEL—FOR HER CURVACEOUS BOOTY OF SIN—JADA HAS ALSO PERFORMED IN THE STUDIO'S GANGBANG SERIES, WHERE SHE ONCE TOOK ON SEVEN WELL-HUNG GUYS IN A DECADENT ORGY IN WHICH, NOT SURPRISINGLY, JADA WAS THE MAIN COURSE. DOUBLE VAG, DOUBLE ANAL, JADA SHOWS EVERYONE JUST HOW THE BIG GIRLS HANDLE COCK. AS ONE OF ADULT'S NASTIEST, FILTHIEST, AND MOST IN-DEMAND PERFORMERS, JADA FOUND TIME TO SHARE HER "TAIL" WITH THE KING OF SEX MAGAZINES, *HIGH SOCIETY*!

HIGH SOCIETY:

How did it feel to be crowned the new Buttwoman?

JADA STEVENS:

It was awesome. I loved it. It's still sinking in, for sure. But I think I deserved the title, I worked hard for it.

HS: *Kelly Divine, the previous Buttwoman, has said she hoped that you'd be the next Buttwoman, that you had the perfect bubble ass.*

JS: That's my best friend. She passed the torch to me and I respect that. Out of everybody, she was a good sport about it. Any bitch could've been like "Oh no, fuck that, I'm

Buttwoman." But that's my friend and she was a good Buttwoman. She deserved to have it longer. [Laughs]

HS: *That girl has a nice ass.*

JS: Yes. That is a fucking ass. [Laughs] My ass could not be compared to hers. [Laughs]

HS: *You've worked with Kelly before?*

JS: Yeah. I've done a few scenes with her. Her scenes are really good.

HS: *Are you into rough sex or do you like it gentle in your personal life?*

JS: I like both. It depends on my mood. I like

I like to suck dick. I love to give head, it gets me going.

rough sex, I like soft sex. It just depends.

HS: *Would you say you like guys more than girls or is it about equal?*

JS: I definitely love guys way more. Girls just tend to get in the mix.

HS: *Is sex in your personal life wilder or tamer than it is on camera?*

JS: My sex life use to be wild just like on set, but I've calmed it down. I still have a lot of sex, but it's not as wild or sporadic.

HS: *Do you still like to do random hook-ups, one-night stands?*

JS: I do. I'm very random. I like a variety of people. One guy can only please me for so long. It's just the fact that I like variety.

HS: *Do you enjoy the attention you get from guys whether you're at a convention or out on the street?*

JS: I love attention. I'm not going to lie. I love getting attention. But there's also a time and a place for a certain type of attention.

HS: *So you like being naked?*

JS: Definitely! I love being in the nude.

HS: *When guys are checking you out does that also turn you on, as well?*

JS: Yeah, I would say that. It does give me that horny feeling. That definitely goes through my mind when somebody is checking me out or you're checking somebody out.

IMAGES COURTESY OF ELEGANT ANGEL, EVIL ANGEL, MILE HIGH, JULES JORDAN, VIVID & ZERO TOLERANCE

HS: *Being from Atlanta is it still taboo for white girls to hook up with black men?*

JS: Yeah, it is. It's better of course, but it's not California. In California, everything is cool. When you go down South it's still crazy.

HS: *Do white girls have to keep quiet about their attraction to black men?*

JS: No. It's not as bad, but it's definitely still not the best place for interracial relationships in the South. You don't really have to keep it on the hush, but you still got to take all the shit that comes with it if you're out with it.

HS: *Do you think there are more white guys in the South that are attracted to black women than admit to it?*

JS: Yes, I definitely do. It's something they keep quiet about, but I do think there are more guys attracted to black girls than admit to it.

HS: *How do you maintain a normal sex life being a porn star? Do you have fuck buddies?*

JS: [Laughs] I have a few fuck buddies. It keeps me busy, for sure.

HS: *How does a guy get to be on your fuck buddy list?*

JS: I don't know. That's a question I've been getting a lot lately. If I'm feeling somebody or if I'm comfortable, it just has to happen. Most of the people I've met recently have been in the strip clubs, so that's where it happens. I guess you gotta go into the strip clubs.

HS: *Where would you rate your blowjob skills on a scale of 1 to 10?*

JS: I think I would be a nine. I still got some techniques to master, but I'm pretty good.

HS: *Can you describe one of the hottest sex scenes you've ever been involved in?*

JS: Besides the one [for which] I won at AVN in 2012 there was another one with Nacho and Jynx Maze for Evil Angel's *Anal Buffet*, I think. That was one of my favorites to shoot. It was with whip cream, milk, asshole and everything.

HS: *Now I'm hungry. In your personal life you do have anal sex?*

JS: I do, but you know, in the civilian "world" not a lot of guys are into anal like that. So if you don't know how to fuck an ass I definitely wouldn't want it. [Laughs] So it depends, as long as the guy knows what he's doing in my personal life I have it.

HS: *I've been told I know what I'm doing back there.*

JS: [Laughs] That's a good thing. You've earned some brownie points.

HS: *What would you say it takes to make a really hot sex scene?*

JS: I would say good chemistry with your scene partner and definitely being turned

33240

33240

33241

My first time [getting DP'd], to be honest, it blew my mind. I didn't know how to cum, I didn't know what I was supposed to do.

on is always a plus. That's really all it is, just chemistry and how good the sex is if you do foreplay and stuff like that before the scene. That always helps.

HS: Do you need that when you have sex off camera?

JS: I would say pretty much the same. Sex off camera to me is always better. Sex on camera is always good too, but when you're off camera it's kind of more intimate. You don't have to open up for everybody, so it's better sex.

HS: Before porn did you have threesomes, group sex, or orgies?

JS: I did. I had a few wild threesomes—two guys and me—and then two girls and a guy

when I was younger. I was like 18 so it was the year before I got into porn.

HS: Tell me about the first time you had a threesome. How did it occur?

JS: You kind of get the vibe. If all three people are comfortable with each other and things kind of happen. Chemistry needs to be good with three people and just feeling it.

HS: Was the first time you had anal sex a good or bad experience?

JS: It actually was good. I ended up liking it. I can remember exactly how it went down and everything. So it was good. I've always kind of liked it, not as much as I do now, but I definitely experimented with it

when I was younger.

HS: What was it like being DP'd for the first time?

JS: My first time, to be honest, it blew my mind. I didn't know how to cum, I didn't know what I was supposed to do. I just relaxed and let it happen. It was definitely rough for me because I was trying to perform and that's a position where you really just lay there and let the guys do the work.

HS: Which do you prefer: anal or vaginal sex?

JS: I definitely love my vagina, but anal sex is definitely close. I really enjoy it a lot.

HS: You have been with some very large

THE FUCK FACTS

Birthday: July 4, 1988

Birthplace: Atlanta, GA

Height: 5'4"

Weight: 114 lbs.

Measurements: 32C-26-36

I don't do a lot of creampie's, but thinking about it makes me cum.

guys. Would you consider yourself a size queen?

JS: Yes. I like them big. I don't have to have them big, but I do like them big.

HS: Who's the biggest you've had.

JS: Lexington Steele and Mandingo. They're a tie.

HS: What was one of the wildest sex scenes you've ever been a part of?

JS: I had a DP with a lot of oil. It was in *Oil Overload* for Jules Jordan. That was definitely really crazy and hot. It was like nine bottles of baby oil and it was really hot. They did a great job fucking with all the oil.

HS: When was the last time you masturbated, and what do you usually think about when you play with yourself?

JS: I fantasize about a lot of people. I masturbated this morning. I really didn't have a person I was thinking about. I don't do a lot

of creampie's, but thinking about it makes me cum. So if I think about shit like that it makes me hot.

HS: Where would you rate yourself on a scale of 1 to 10?

JS: I'd say a nine.

HS: Where would you rate that nice curvy ass?

JS: [Laughs] I would have to give my ass a 10. She gets me in everywhere.

HS: What is the best and worst thing about being a porn star?

JS: The best thing is that I get to make my own schedule and basically do what the fuck I want. The bad part is people are very judgemental and you either love it or hate it.

HS: What turns you on?

JS: I like to suck dick. I love to give head, it gets me going. I'm a giver, but I have a new

foot fetish for my own feet. [Laughs] I like my feet. I like that. The touch of a tongue on my toes, I'll cum quick.

HS: What turns you off?

JS: Bad hygiene, smelly balls. [Laughs]

HS: Are you very dominant or submissive?

JS: I'm very submissive. I'm learning to play the dominant role. If I'm very comfortable with somebody I can be dominant, but for the most part I'm very submissive. I love being told what to do.

HS: What was your first sexual experience like with a girl?

JS: My first time with a girl was awesome. I loved it. I was like in love or whatever, but it only lasted two weeks and then I phased away from it. But I loved my first time with a girl.

HS: Who are some of your favorite girls in the business?

JS: I love Kristina Rose. I love Alexis Texas. Kelly Divine is definitely one of my favorites.

HS: I read a tweet where you said, "Sex is better than drugs." Why is that?

JS: It is. I love weed, don't get me wrong, but sex is like a drug for me. It doesn't do any physical or mental harm to you. It can't kill you or hurt you or make you look bad. So it's better.

HS: Anything you want to say in closing to the HIGH SOCIETY readers?

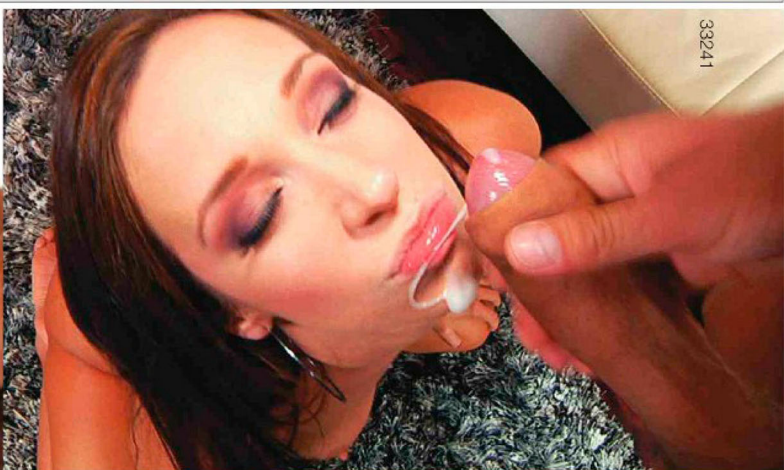

JS: I've had a crazy year, I've accomplished a lot, and I really love all the support and love I got from my fans.
